

SA Superannuants is an association representing the interests of members of the South Australian superannuation scheme who receive, or who are eligible to receive, a pension from the State Pension Scheme which is established under the provisions of the Superannuation Act,

I have enclosed an article written by our President, Mr Peter Fleming, in the most recent issue of *The Superannuant*. No doubt many seniors feel the same way and prefer to go cruising where their needs are catered for.

The Association of SA Superannuants is concerned that quite a few motel/hotel accommodation is not conducive to seniors in that bathrooms do not have grab rails and non-slip tiled floors.

Accommodation sites offer a variety of types e.g. smoking/non smoking, pet friendly, interconnecting rooms for families etc. Seniors prefer to cruise where their particular requirements are met.
