2. Action by the Committee since the last General Meeting.

2.1 The committee discussed difficulties that some members have in hearing the question and answer session. We will ask the guest speaker to repeat the question. At the April meeting we will have the roving microphone.

2.2 The committee meeting discussed possible actions to increase membership. We will try to reach out to potential members using the AEU and PSA networks.

2.3 The Superannuation Federation has set up a subcommittee on governance. Christine Venning is a member of the subcommittee.

2.4 Super SA and Funds SA are intent on cooperating.

2.5 The President apologised for the lateness of the newsletter. Max Jahn is the new coordinator with assistance from Ray Hickman.

2.6 We are in the process of updating the website. The page devoted to current activities is now closed and key topics page is renamed matters of interest.

2.7 The Liberal Party policy statement is to require Funds SA to use fund managers to maintain an office in Adelaide. Funds SA has a statutory authority to members. At the Superannuation Federation meeting all affiliates agreed this must be stopped. The Liberal Treasurer has written that the government is not going to interfere.

3. Guest Speaker

Ian Beckingham introduced Dr Matthew Baldock deputy director of Automotive Safety Research at Adelaide University.

After a very lively presentation Ian presented the guest speaker with the customary gift.

The meeting closed at 2.30pm
